

**PRICE LIST**

**Immunological Test Systems**

<p><b>PHAGOTEST™</b> (100 analyses)          Clinical Diagnostic for the Quantitative Analysis          of Leukocyte Phagocytosis in whole blood          Item No. 10-0100</p>	<p>Price per Kit</p>	<p>€ 710.00</p>
<p><b>BURSTTEST (PHAGOBURST™)</b> (100 analyses)          Clinical Diagnostic for the Quantitative Analysis          of Leukocyte Oxidative Burst in whole blood          Item No. 10-0200</p>	<p>Price per Kit</p>	<p>€ 710.00</p>
<p><b>MIGRATEST™</b> (24 analyses)          Chemotaxis          Clinical Diagnostic for the Quantitative Determination          of the Chemotaxis of Neutrophilic Granulocytes          Item No. 10-0800</p>	<p>Price per Kit</p>	<p>€ 445.00</p>
<p><b>NKTEST™</b> (20 analyses)          Clinical Diagnostic for the Quantification of          the Cytotoxic Activity of Natural Killer (NK) Cells          Item No. 10-0450</p>	<p>Price per Kit</p>	<p>€ 345.00</p>
<p><b>NKTEST™</b> (100 analyses)          Clinical Diagnostic for the Quantification of          the Cytotoxic Activity of Natural Killer (NK) Cells          Item No. 10-0400</p>	<p>Price per Kit</p>	<p>€ 1,295.00</p>
<p><b>BASOTEST™</b> (100 analyses)          Clinical Diagnostic for the Determination of          Allergen Induced Basophil Degranulation          in Human Whole Blood          Item Mo. 10-0500</p>	<p>Price per Kit</p>	<p>€ 730.00</p>
<p><b>THROMBOCYTEST™ Plus</b> (50 analyses)          Test Kit for the Flow Cytometric Determination of          Reticulated Platelets and for Absolute Counting of          Thrombocytes          Item No. 10-0900</p>	<p>Price per Kit</p>	<p>€ 270.00</p>
<p><b>THROMBOCYTEST™ Immune</b> (25 analyses)          Test Kit for the Flow Cytometric Quantitation of          Platelet Associated Immunoglobulin          Item No. 10-1000</p>	<p>Price per Kit</p>	<p>€ 580.00</p>
